

YOU ARE INVITED!

We are a group of six researchers from the University of British Columbia, the Roeher Institute (Toronto) and Kwantlen University College. We are doing a research project called "Adult Community Living Services".

Community Living Research Project
School of Social Work and Family Studies
2080 West Mall,
The University of British Columbia
Vancouver, B.C. V6T 1Z2
Tel: (604) 827-3494 Fax: (604) 822-8656
TOLL FREE: 1-877-3494
clrs@interchange.ubc.ca

We want to hear about your experiences with Community Living services in BC and your hopes.

TOPIC AREA: Services for Seniors

We are looking to ask questions of:

- ✓ **Individuals aged 50+ years** living with a developmental disability who are receiving or eligible to receive services or supports from Community Living British Columbia.

OR

- ✓ **Family members** of an adult (50+ years) with a developmental disability who receives or is eligible to receive services from Community Living British Columbia

OR

- ✓ **Family members who are 70+ years** caring for an adult child with a developmental disability who receives or is eligible to receive services from Community Living British Columbia.

INTERVIEW DATES (final dates will be based on availability)

Burnaby	June 19-23, 2006	LOCATION TBA
Okanagan	June 26-30, 2006	LOCATION TBA
Nanaimo	July 3-7, 2006	LOCATION TBA
Prince George	July 10-14, 2006	LOCATION TBA

Interviews will take about two hours. Tea, juice and cookies will be provided to those who participate. So will travel costs and \$10. Upon request, child care will be available, as will support for participants' teenage and adult family members.

If you would like more information or wish to participate, please contact Leah Wilson, Project Coordinator, at 604-827-3494 or TOLL FREE at 1-877-827-3494 or clrs@interchange.ubc.ca.

Research Team: Tim Stainton (Principal Investigator), Rachelle Hole, Grant Charles, Carrie Yodanis – University of British Columbia; Susan Powell – Kwantlen University College; Cameron Crawford – The Roeher Institute

This research is supported by Community Living British Columbia and the Ministry of Children and Family Development.
